Apaches Take Puggauwu'gan

Sunday event success puts 'che in commanding lead.

By Max Tunnicliffe

Hello C session Deerhorn campers! It's time to recap the week in sports from up here in the Northwoods. Last week's Sunday Event was an all team race called Puggauwu'gan, one of the most important events of the summer. Charlie Stelnicki and his Apache team came in 1st place due to a great strategy of putting a younger camper in scalp. The Chips came in a close 2nd place after their leader Patrick Drake's half canoe began to sink during his paddle to the ski dock. Iroquois finished 3rd and Navajo came in 4th.

Meanwhile, during team competition Scalp, the Apache took the first game. In the second game, senior Liam Jones made a diving pull to give his team the advantage in the goalie box that would eventually win the game. The Nav's took home the third game in a heated 1 on 1 battle between Griff Parry and Declan Graver. Charlie Stelnicki would give his Apache tribe the win in the leader/voyager game with help from last year campers Ethan Hall and Connor Petrosky.

Currently, the Apache hold a small 3,000 point lead over the chips, with the Apache 2,000 point behind them. The Iroquois, known for being a second half team, are bringing up the rear, currently out of 1st by 8,000 points. However, with the most important Sunday Event of the Summer this session, the Monkey Relays, there is still time for any team to make a jump into 1st.

Blaine's World

By Alex Polovin

Alex: What is your favorite thing about camp?

Blaine: I love watching the campers run around in all the different activities and improving day by day.

Alex: Would you do anything to upgrade the lodge?

Blaine: I love the way the lodge is now, but we could have more room for activities if it were slightly bigger.

Alex: What are your thoughts on the meals here at camp?

Blaine: The meals are great, but my favorite part about them is definitely the salad bar!

Alex: If you could add one activity, what would it be?

Blaine: I think an outdoor education/nature activity period would be really cool.

Alex: How lucky are we to have such an amazing waterfront?

Blaine: The beach and lake are both awesome! The waterfront is one of my favorite places in camp, there's always so much fun to be had out there.

Alex: What is your least favorite activity at camp?

Blaine: I like all the activities we have here at Deerhorn, however, since I used to be a horseback-riding counselor, I would have to say golf.

Alex: Have there ever been any bad storms up at camp?

Blaine: Usually the weather is pretty nice up here, but earlier in the summer it was pretty windy and the rave blew into the A dock!

Your Space Here!

As the sessions come and go at Camp Deerhorn so too does the Deerhorn Sun writing staff. We were unfortunate to lose our food critic, Erik Persson, after B session and since then are left with a void that we have still not filled. Any camper that has any interest or questions about what this position would entail should reach out to Mark Deacon or Mike Maicke for more information.
